

PROJECT ENGINEER (529-07)

SALARY: \$52,520.00 – \$74,172.80 annually, plus liberal fringe benefits
Management Category IV

THE POSITION

This is professional engineering work of more than average difficulty in the investigation, design, development, construction, and maintenance of public works engineering projects and utilities operation projects.

An employee in this class has immediate responsibility for designing and preparing specifications for Public Services structures and for supervising the construction of approved projects in a major area of municipal Public Services, requiring the use of considerable initiative and independent judgment in making technical decisions. An employee in this class may oversee and coordinate the work of subordinate professional and/or technical staff. Work is reviewed through discussions and inspections, principally for determining progress and adherence to departmental policies and sound engineering standards. Major technical or policy problems are discussed with a superior before taking action.

NOTE: The duties of this position will include all of those duties set forth in the official job description.

THE REQUIREMENTS

1. Have graduated from an accredited college or university with a Bachelor's degree in civil, mechanical, electrical, or other appropriate engineering field.
2. Possess at least three (3) years post-graduate experience in the design and construction of highway, street, water distribution, wastewater collection or other Public Services projects.
3. Valid registration as a professional engineer (P.E.) is preferred.

THE EXAMINATION

Depending on the number of applicants and the quality of their education and experience, the examination may consist of one or more of the following tests: Evaluation of Training and Experience, Oral Interview, Written Examination, or other assessment method. Applicants must attain a minimum score of 70 in each part of the examination in order to qualify. All successful applicants will be required to pass a medical examination, including drug screening, prior to appointment.

NOTE: **ALL APPLICANTS MUST COMPLETE ATTACHED SUPPLEMENTAL APPLICATION, AS WELL AS THE STANDARD EMPLOYMENT APPLICATION.**

NOTE: If the position warrants, candidates may be required to successfully pass a polygraph examination prior to employment.

HOW TO APPLY

Official City of Fort Lauderdale applications will be accepted and received at the Department of Human Resources, City Hall, 100 North Andrews Avenue – 3rd Floor, Fort Lauderdale, Florida, **open continuously until sufficient applications have been received.**
